# **PRIORITIES IN OUR PUBLIC ADULT SCHOOLS...**

**Literacy**

**Basic studies**

**Preparation access to Secondary**

**Preparation to professional cycles**

**Workshops**

**Non formal courses (languages and ICT)**

**Other courses for personal and social development**

	STUDENT PROFILE
INITIAL LITERACY	<p>30-50 year old.          Mostly south-American immigrants.          Spanish mother tongue.          Learning difficulties.          Majority of women.</p>
SPANISH + INITIAL LITERACY	<p>20-40 year old.          African (northern and sub-Saharan)          Illiterate.          Difficult social immersion.          Continuously arriving and leaving school.</p>
BASICS STUDIES	<p>Wide range of age.          Different aims (access secondary, working improvement...)          Irregular attendance.</p>
SPANISH SECOND LANGUAGE	<p>18-60 year old.          All nationalities.          Unstable groups.          Great diversity.</p>

ACCESS TO PROFESSIONAL CYCLES	Medium qualified youngsters and technicians who aim to continue upper similar studies
FOREING LANGUAGES ICT AULA MENTOR	Active workers of different age, education and sectors who want to improve their competence in these areas.
ESPA (SECONDARY EDUCATION)	<p>Young people 16 up to 25 year old, early leaving school and who aim to conclude secondary level.</p> <p>Unemployed.</p> <p>Poor motivated to study.</p> <p>Mostly interested in further professional training.</p>
ESPAD (SECONDARY DISTANCE EDUCATION)	<p>18-45 year old.</p> <p>Workers and prisoners.</p> <p>Virtual classroom.</p> <p>A weekly tutorial session.</p> <p>Great autonomy and effort required.</p> <p>High rate of desertions.</p>

**Specific goals depending on the workshop.  
A general aim is to get professional skills certificates.**

WELDING / PLUMBERY / ELECTRICITY

Mostly 20 - 45 year old male students.

Unemployed, workers in the sector and immigrants trying to find a job

PSICOSOCIAL HOME ASSISTANCE

WORKSHOPS

Medium-aged women working in hospitals, old people residences and home helpers who want a promotion.

SOUND AND IMAGE

Young students fond to audiovisual technologies who try to learn how to use them either as a hobby or a job.

FABRIC ART

Mainly women 20 - 50, interested in design and plastic activities looking for new ways for creativity.
